

ENVIROGRAF® PRODUCT 48

BUILDFIX MULTI-PURPOSE BUILDING ADHESIVE

DESCRIPTION

A multi-purpose builders' adhesive. Fully flexible, will bond:- Plaster, Plasterboard, Glass, Material, Plastic, Brick, Polystyrene, Ceramic, Cloth/Material based products and timber. Solvent-free, easy to clean, can be prepared and painted over, low odour, white in colour. When dry on the surface, it remains flexible internally, to cope with life's everyday impacts.

"You'll never get a fixing there!"

BUILDFIX CAN!

Difficult-to-reach areas, thin section walls, bad uneven surfaces, brittle surfaces, hard surfaces, concealed areas, and tight corners.
